## **Build A Better World for Women and Girls**

Zonta members believe in making the world a better place by empowering women. We find joy in doing this in a supportive community of like-minded people from diverse countries and cultures. We stand for women's rights while advocating for equality, education and an end to child marriage and gender-based violence.

Please consider joining us in achieving these goals by supporting and sponsoring our District 8 Conference in September 2023. Zonta District 8 members will meet at its biennial conference in the North Bend-Coos Bay communities along the Oregon coast in September of 2023. We look forward to this three-day gathering to educate, discuss, and share with one another the strength of Zonta as we continue to build a better world for women and girls.

We are pleased to bring sponsorship opportunities with three different levels to our members and supporters. Please review the included sponsorship opportunity flyer and let us know which level you would like to share with us and support our work of empowerment by July 1, 2023. Thank you for your consideration.
